Re: Notice of Ex Parte Presentation in CC Docket No. 96-45 – Petition of TracFone Wireless, Inc. for Forbearance; Petitions for Designation as an Eligible Telecommunications Carrier in the States of Alabama, Connecticut, Florida, Massachusetts, New York, North Carolina, Tennessee and Virginia

Dear Ms. Dortch:

On August 8, 2005, F. J. Pollak, President and Chief Executive Officer of TracFone Wireless, Inc., and I met with Thomas Navin, Chief, Wireline Competition Bureau, with Ian Dillner, Acting Legal Advisor to the Chief, Wireline Competition Bureau, and with Narda Jones, Carol Pomponio, Pam Slipakoff, and Mark Seifert, all of the Wireline Competition Bureau's Telecommunications Access Policy Division.

During this meeting, we discussed TracFone's pending petition for forbearance from application of Section 214(e)(1)(A) of the Communications Act and Section 54.201(i) of the Commission's rules, and its pending petitions for designation as an Eligible Telecommunications Carrier in the States of Alabama, Connecticut, Florida, Massachusetts, New York, North Carolina, Tennessee, and Virginia. During this meeting, we discussed TracFone's proposal to offer Lifeline service if its petition for forbearance is granted and if its petitions for designation as an Eligible Telecommunications Carrier are approved. We provided each of the attendees with copies previously-filed ex parte submissions which describe TracFone's proposed Lifeline service plans and its plans for compliance with the Commission's rules governing certification and verification of applicants' eligibility for

participation in Lifeline. We also discussed why grant of TracFone's petition for forbearance and state-specific ETC petitions would serve the public interest.

Pursuant to Section 1.1206(b) of the Commission's Rules, this notice is being filed electronically in the above-captioned docket. If you have any questions regarding this matter, please feel free to contact undersigned counsel for TracFone.

Sincerely,
